

Continuation of Substance of Interview including description of the general nature of what was discussed: In figure 6, agreed to change the numeral 20' for the support members to the numeral 20" since the anchor member is already labeled 20'. In the specification, agree to change the numeral 20' for the support members to the numeral 20". In claims 1, 7, and 12, agreed to change "fastening means" to "means for fastening" to be consistent with the language used earlier in each respective claim. Agree to cancel claims 2, 8, and 13 since these claims are directed to the embodiment shown in figure 3 and all of the independent claims are directed to the embodiment shown in figure 6 which does not include a magnet as defined in claims 2, 8, and 13. In claims 4-6, 10, 11, and 13, agreed to change "support member" to "elongated support member" to make it clear that the applicant is referring to the elongated support member..
